

# Framework for our Journey

## SELF MANAGEMENT LEADERSHIP ROLES

Each small group manages its own discussion, data, time, and reports. Leadership roles should be rotated.

**DISCUSSION LEADER** assures that each person who wants to speak is heard within time available.

**TIMEKEEPER** keeps group aware of time left.

**RECORDER** writes group's output on flip charts, using the speaker's words. Asks people to restate long ideas briefly. All recorders please write **LEGIBLY!!!!**

**REPORTER** delivers report to large group in time allotted.

We agree to

- Be respectful
- Listen to each other and allow others to express other's view
- Not interrupt each other
- Express our opinions while we're together and problem solving
- Keep confidences in this room
- Strive for additive comments and piggyback ideas
- Commit to learning and our learning process
- Uphold full value of each other, our process, and our team.
- No personal attacks.
